

Walk from Pegasus to

After driving (North) through Woodend township (Main North Road), turn right at the Pegasus roundabout. Once on Pegasus Boulevard follow it through all the roundabouts, past the shops at Pegasus Main Street, until the roundabout at Tiritiri Moana Drive, here turn right. This will take you to the beach car park where buses are able to turn around and there are also toilets.

From here walk back in the direction of Pegasus until the road turns sharp right. At this point the track is on the left heading south towards Woodend Beach. Once at Woodend Beach Road cross over and please use the Jill Creamer Trail (south side of Woodend Beach Road) to walk to the camp.

Be aware that Woodend Beach Road is a 80km zone outside of beach settlement.

At this point some groups will walk directly to camp, others may choose to use beach or domain at Woodend Beach for lunch before heading to camp.

Total length of walk approx. 4km. This is an easy, well maintained and clearly marked track. It is suggested that teachers/leaders familiarise themselves with the walk before bringing in a group.
